

Tandem Diabetes Care Named Among Best Places to Work in San Diego

SAN DIEGO, Aug. 7, 2015 /PRNewswire/ -- Tandem Diabetes Care®, Inc. (NASDAQ: TNDM), a medical device company and manufacturer of the t:slim® and t:flex™ Insulin Pumps, was recently named among the *Best Places to Work in San Diego* for 2015. The list is published each year by the *San Diego Business Journal*.

"At Tandem, our success is thanks to the passion and dedication of our employees," said Kim Blickenstaff, president and CEO of Tandem Diabetes Care. "A company is a best place to work because of its people, and we have some of the best in the business."

This designation was designed to identify, recognize, and honor the best employers in San Diego, benefiting the county's economy, workforce, and businesses. The list is made up of 100 companies split into four categories: 35 small-sized companies (15-49 U.S. employees), 35 medium-sized companies (50-249 U.S. employees), 17 large-sized companies (250-1,999 U.S. employees), and 13 mega-sized companies (2,000 or more U.S. employees).

Companies from across the county entered the two-part survey process to determine the *Best Places to Work in San Diego*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in San Diego, analyzed the data, and determined the final rankings.

The annual list of the Best Places to Work in San Diego was created by the San Diego Business Journal, Best Companies Group, and sponsored by Kaiser Permanente and GreenRope. A special issue of the *San Diego Business Journal* that profiles the companies selected as the *Best Places to Work in San Diego* will be published on August 17, 2015.

About Tandem Diabetes Care, Inc.
