To the Stockholders of Tandem Diabetes Care, Inc.:

Due to public health concerns and travel restrictions relating to the novel coronavirus (COVID-19) pandemic, and to protect the health and well-being of our stockholders, directors and employees, our 2020 Annual Meeting of Stockholders (the “Annual Meeting”) will now be held virtually at 3:00 p.m Pacific Time on May 27, 2020. The virtual Annual Meeting will provide stockholders the ability to participate, vote their shares, and ask questions during the meeting.

As described in the proxy materials for the Annual Meeting previously distributed, you are entitled to participate in the meeting if you were a stockholder as of the close of business on March 31, 2020, the record date, or hold a legal proxy for the meeting provided by your bank, broker, or nominee.

To be virtually admitted to the Annual Meeting at <https://web.lumiagm.com/235916184>, you must enter the **16-digit control number** found on the Notice of Internet Availability of Proxy Materials you previously received and enter the password “**tandem2020**”. You may vote during the Annual Meeting by following the instructions available on the meeting website. Regardless of whether you plan to attend the Annual Meeting, we urge you to vote and submit your proxy in advance of the meeting by one of the methods described in the proxy materials for the Annual Meeting. The proxy card included with the proxy materials previously distributed will not be updated to reflect the change in location and may continue to be used to vote your shares in connection with the Annual Meeting. If you have already voted by proxy, your vote at the Annual Meeting will have the effect of revoking your proxy.

#### **Notice of Change to Annual Equity Compensation Arrangements for Non-Employee Directors**

*Page 21 of the Proxy Statement is supplemented by adding the following text immediately after the last paragraph under the section entitled “Director Compensation Changes for 2020”:*

On May 15, 2020 our board of directors approved the following change to the compensation program for our non-employee directors:

Effective as of the Annual Meeting, on the date of each annual meeting of stockholders, each non-employee director that continues to serve as a director following the annual meeting will be entitled to receive either stock options to purchase shares of our Common Stock with an aggregate Black-Scholes value of \$170,000, or restricted stock awards with a grant date fair value of \$170,000, or a combination thereof with a total value of \$170,000, which determination will be made by our board of directors (or a designated committee thereof) at the time of such grant. These annual grants, whether issued in the form of stock options or restricted stock awards, will be prorated based on the number of full months of service on our board of directors since the prior annual meeting of stockholders, and will vest over a 12-month period, subject to the director’s continued service. The exercise price of all stock options will equal the closing price of our Common Stock on the grant date, and the grant date fair value of all restricted stock awards will be based on the closing price of our Common Stock on the grant date. Each of these stock options and restricted stock awards, as well as any other equity awards granted to our non-employee directors, are expected to be granted pursuant to our 2013 Stock Incentive Plan (the “2013 Plan”).

#### **Acceleration of Vesting of Certain Stock Option Awards**

On May 15, 2020, our board of directors authorized the acceleration of vesting of 311 outstanding stock options previously awarded to Mr. Howard E. Greene, Jr. under the equity compensation arrangements for our non-employee directors pursuant to the 2013 Plan. The 311 options have an exercise price of \$64.66 per share. Mr. Greene, has served as one of our non-employee directors since January 2008; however, he is not standing for re-election at the Annual Meeting.
