Explanation of Responses:

1. All outstanding shares of the Issuer's preferred stock automatically converted into Common Stock upon the closing of the Issuer's initial public offering (the "IPO"), for no additional consideration. The preferred stock had no expiration date. The Common Stock equivalents of the preferred stock reflect the 1 for 1.6756 reverse split of the Common Stock effected in November 2013.

2. Upon the closing of the IPO the Warrants to purchase Series D Preferred Stock automatically converted into Warrants to purchase the number of shares of Common Stock that the Series D Preferred Stock underlying the

Warrants were convertible into, subject to the reverse split described in footnote (1), and the exercise price accordingly adjusted to \$7.37 per share.

3. The Warrant to purchase Series D Preferred Stock was immediately exercisable and expired as follows: 362,965 shares on 8/17/21; 90,741 shares on 5/25/22; and 136,697 shares on 7/17/22.

4. The Warrant to purchase Common Stock is immediately exercisable and expires as follows: 216,617 shares on 8/17/21; 54,154 shares on 5/25/22; and 81,580 shares on 7/17/22.

5. The Warrant to purchase Series D Preferred Stock was immediately exercisable and expired as follows: 6,190 shares on 8/17/21; 1,547 shares on 5/25/22; and 2,331 shares on 7/17/22.

6. The Warrant to purchase Common Stock is immediately exercisable and expires as follows: 3,694 shares on 8/17/21; 923 shares on 5/25/22; and 1,391 shares on 7/17/22.
